

Kinderland is a party venue with a difference. It is the one stop party venue that caters for all your party needs: party planning, themes, party packs, different type of cakes and entertainment, balloons, personalized invitations, photography and catering.

We specialize in children parties but also do teen parties, special birthday celebrations for adults and small weddings.

Kinderland is ideal for busy parents, taking the hassle and responsibility of organizing a proper kidds party out of your hands. It leaves you with loads of time to spend with your child on their special day. Enclosed party hall for cold or rainy days.

We have a sports bar on our premises "Cheers" with a big screen TV with DSTV for sport enthusiasts. A braai area is also available at the bar.

Please note: not drinks allowed on premises (no cold drinks and no alcohol).

Cheers is also a popular venue for special birthday parties, spit braais, family gatherings, school reunions, bachelorette and bachelor parties.
